The Peterson School Scholarship

The Peterson School scholarship (valued at \$500) will be awarded to 3 outstanding high school students graduating in June of 2023 who have positively impacted his/her school community. This scholarship will be valid to use from September 2023-June 2024.

The Peterson School provides students with the most comprehensive trade related training programs in the New England Area. Many of our courses include both theory and hands-on training in laboratories. Students are fully prepared to take State License Exams and be gainfully employed in their field.

Application Process

A complete application must include:

1. Scholarship Application
2. High School transcript
3. Completed essay

Please return your completed application via mail or email by April 21, 2023
